

Healthcare Business Intelligence SUMMIT

TAKING YOUR DATA FROM INVISIBLE TO INVALUABLE

MEET THE PRESENTERS

Brent James, MD

Brent serves as Strategic Advisor at Health Catalyst and has been a global leader in bringing quality improvement science and methods to clinical care for over three decades. In his previous role as Chief Quality Officer and Executive Director of the Institute for Healthcare Delivery Research at Intermountain Healthcare, he played a pivotal role in helping Intermountain to become internationally recognized for outcomes improvement and for establishing a deep culture of quality. Dr. James is a member of the National Academy of Medicine, a Fellow of the American College of Physician Executives and holds faculty appointments at several universities.

Thomas D. Burton

Tom is a Co-founder and President, Professional Services of Health Catalyst. His leadership and decades of experience in business intelligence, analytics, and process improvement have helped many care delivery systems significantly improve clinical, operational, and financial outcomes. Prior to co-founding Health Catalyst, Mr. Burton was a member of the team that led Intermountain Healthcare's nationally recognized improvements in quality of care delivery and reductions in cost.

Gregory Anderson, CPA/ABV, CVA

Greg is a Partner in the healthcare practice group of HORNE LLP. With over two decades of focused healthcare appraisal work, Greg is a leading voice in healthcare valuation and physician incentive compensation plan conversations. He concentrates his practice in consulting on income distribution plans for physician group practices, fair market value studies, and the valuation of medical practices, hospitals, and other healthcare facilities. He also provides insights and analysis related to value-based reimbursement, alternative payment models and revenue cycle.

**John Wadsworth**

John serves Health Catalyst as Senior Vice President of Client Engagement. Prior to joining Health Catalyst in September 2011, he worked for Intermountain Healthcare and for ARUP Laboratories as a data architect. John has a Master of Science degree in biomedical informatics from the University of Utah, School of Medicine.

**JT Blalock, CPA, CHFP**

JT is a Senior Manager in the healthcare practice group at HORNE LLP where he specializes in assurance and consulting services. JT joined HORNE in 2006 with prior experience in the manufacturing and distribution, healthcare, nonprofit, governmental, and government contractor industries. He earned a Bachelor of Science in Business Administration and a Master of Professional Accountancy from The University of Southern Mississippi.

**Bruce Walt**

Bruce is a Partner at HORNE LLP where he is responsible for translating the HORNE brand into go-to-market strategies for the firm's seven focus areas. In addition to marketing program development, he directs HORNE's external branding, messaging, advertising and digital strategy. Bruce joined HORNE in 2013 with more than 20 years of experience in marketing, business development and change leadership.
